

**1 La Biosthetique Paris
Creme Hydratante
24 Hour Moisturising Cream
\$95 1300 554 069**
If your face feels like the Sahara mere hours after moisturising, give this one a whirl. It promises 24 hours of hydration, smells of ripe apricots and feels just as delicious on your skin.

**2 Clarins Organic Gentle
Beauty Cleansing Soap
\$25 02 9663 4277**
A fab face and body soap that truly raises the bar. Hazelnut oil and shea butter keep your skin soft and supple, while citrus essential oils add the zing.

**7 Grown Facial Toner
\$29 1800 808 993**
After cleansing, whisk away any leftover dirt or makeup with Grown's aloe vera, rose and chamomile-infused skin refresher.

**9 Jurlique Herbal
Recovery Gel
\$70 1800 805 286**
Banish dull skin by smoothing on prior to moisturiser—it packs a potent cocktail of botanical ingredients and leaves your skin refreshed and smelling sweetly of roses.

**6 Natural Alternative
Face Exfoliator
\$12.95 02 9772 7100**
Madagascan ylang ylang and French geranium give this skin slougher its beautiful scent. We also love the fine, grainy texture—and the price!

**3 Antipodes Hallelujah
Lime & Patchouli Cleanser
\$58.95 1800 705 800**
Its creamy texture makes this organic New Zealand cleanser a winner for dry-skin types.

**8 Korres Spearmint
Body Milk
\$28.95 1800 705 800**
Shea butter and jojoba oil ensure your body is well moisturised while the spearmint leaves you smelling delicious—a bit like a spearmint chew!

**4 Weleda Skin Food
\$21.95 03 9723 7278**
The perfect antidote to dry, crocodile like skin. Word has it Rihanna swears by this skin saviour. Apply to elbows, knees, hands or feet.

**5 Aveda Green Science
Perfecting Cleanser
\$64.95 1300 300 054**
Mature complexions will adore this plant-infused cleansing wonder. It's packed with powerful plant actives to help skin renew and lift.

**10 Origins Checks
and Balances
Frothy Face Wash
\$38 1800 705 800**
An effective mint-scented cleanser for combination skin: broad-leaf kelp extract mops up excess oil, while wheat protein soothes dry areas.
